Project Application Packet

(Revised March 2016)

Steps of Faith

Thank you for your interest in our upcoming evangelistic church-to-church project. Being involved in the spreading of the Gospel of Jesus Christ around the world is an awesome experience.

This packet has been designed to guide you through the process in small faith building steps. There are five simple “Steps of Faith.” By taking these small steps you embark on a journey that will change your life. Each of these steps is equally important and needs to be completed as soon as possible. The “Steps of Faith” are:

- **Complete & Submit the Participant Information Form**
- **Make a Deposit**
- **Secure a Valid Passport**
- **Complete the Personal Testimony Form**
- **Enlist Prayer Partners**

A pastor who has led his church to participate in many church-to-church projects made this statement, “I have yet to see anyone take these steps and then not go...”

Anyone can take these simple steps of faith. The surprising fact is that many Christians have not gone simply because they delayed in taking small steps of faith. Soon, Satan made the opportunity appear to be one huge, complex leap instead of small, simple steps.

Remember the day when you publicly acknowledged Jesus Christ as your Savior? You knew that God wanted you to go forward and the only way to the front of the auditorium was to step out and walk. Remember that first step? It was difficult, but once you had taken it, God made each succeeding step easier. The same rule applies today. Take a small, simple step of faith toward going and discover how God makes each step easier.

Our past experience shows of those who will step out on faith and will complete these “Steps of Faith” better than 90% go on the project. Of those who do not go after completing each step, money is very seldom the issue.

The following section will guide you through the “Steps of Faith.” This information will help you in completing the necessary documents and meeting the project requirements. Please contact the project coordinator with any questions you may have.

PARTICIPANT INFORMATION: The form will need to be returned as soon as God speaks to you about going on a project. The information page requires a recent photo; it can be a passport photo or just a snap shot. This helps our coordinators put a face with your name and also helps us find you in the airport during travel. Once approved, your name will be added to our database, and you will begin receiving regular correspondence and information from us regarding the project.

MAKE A DEPOSIT: For many, the most difficult step of faith to take is making a deposit. We suggest a \$100 deposit; however, if you cannot make a \$100 deposit, send whatever you can, even if it is only \$10. By making a deposit, you are saying to God and man, "I am going." You can send it directly to IC or you can make your deposit through your local church. The church in turn will send the deposit as soon as possible to International Commission.

If you are a typical participant, you do not know how God will provide the balance of your project cost. Matthew 6:21 says, "Where your treasure is there your heart will be also." When you invest some of your treasures you are showing God your heart is in this. Then God begins to open the floodgates of blessings.

You will need to fulfill your financial obligation prior to project departure. If you desire, you can send monthly contributions or as often as you like; we encourage you to send in gifts as soon as God gives them. At least half of the project cost is due prior to airline ticket purchase, usually 60-90 days before departure. The remaining balance is due 30 days before departure unless other arrangements have been made.

Gifts made directly to International Commission will be receipted as tax deductible. Because gifts are tax deductible they are non-refundable. Gifts can be transferred to another participant or project, your church or another 501c3 charitable organization.

"Where God calls, God has a plan. If He truly wants you to be a part of this project then He has a plan to provide the funds and work out the details."

PASSPORT: To go as a project participant, you must have a passport. The process is simple and must be completed according to government instructions. It does take time and you need to begin today. If you have any problems, please call the IC office for help. We have provided guidelines for U.S. citizens.

U.S. passport applications and instructions can be downloaded at www.travel.state.gov. If you do not have Internet access, please contact the IC project coordinator to receive a paper application sent to you by U.S. mail.

If you already have a passport, it must be valid for at least 6 months from the date you return. If less than 6 months of validity remain on your passport from the date of your return, please renew your passport today.

If your passport is expired or you don't have the required 6 months remaining and if your most recent passport was issued less than 15 years ago and you were over 16 years old at the time of your issuance, you may be eligible to use Form DS-82 (mail-in application) to renew your passport. Information regarding renewal of a U.S. passport is also available at www.travel.state.gov

What to Submit with Passport Applications

1. PROOF OF U.S. CITIZENSHIP- a certified copy of your Birth Certificate
2. PROOF OF INDENTITY- a driver's license or other photo ID
3. TWO RECENT COLOR PASSPORT PHOTOS
4. FEES - as explained in the instructions on the passport application form

Where to Submit Passport Applications

Completed applications MUST be submitted in person, with above requirements, at a Federal or State Court House, most Post Offices or at a Passport Agency. Check with your local Court House for information on where to submit the completed application.

Additional information can be obtained at the National Passport Information Center (NPIC) toll-free at 1-877-487-2778 (TDD: 1-888-874-7793) or by e-mail at NPIC@state.gov. Customer Service Representatives are available M-F, 8AM-8PM EST (excluding federal holidays). Automated information is available 24/7. If you have other questions regarding your passport application contact your IC Project Coordinator or the IC office in Lewisville, Texas.

PERSONAL TESTIMONY: This is your primary witnessing tool. Use the attached guidelines to help write your testimony that will tell of your personal salvation experience as well as sharing the Gospel of Jesus Christ. Your testimony will be translated into the foreign language and put into print as a witnessing tract. The tract also includes the plan of salvation, a sample sinner's prayer, and a decision card.

PRAYER PARTNER COMMITMENT CARDS: The key to a successful project is prayer. You need prayer warriors committed to praying for you daily before and during the project. Pray and ask God who He would have you ask to be your prayer partners. These partners should be extremely committed to prayer and involved in God's work through this evangelistic project. Tell your pastor and church family so they can pray for you. Prayer partner information (name, address, email address) may be emailed to your project coordinator instead of using the attached form. **Please have your prayer cards in our office 30 days prior to the project.**

TRAINING AND PREPARATION: As you take these "Steps of Faith," IC staff will be there to help you along the way. You will receive training in a variety of ways: letter correspondence, email, telephone and conference calls, printed materials, and possibly even face-to-face meetings in your area. You will learn about the host country's culture and customs, what to pack, how to use the witnessing tools and how God can best use you. Your faith will continue to grow in anticipation of what God is going to do.

Remember that the devil does not want you to do this. He will do everything he can to discourage and frighten you in an effort to keep you from going and sharing the gospel. Second Timothy 1:7 says, "*For God did not give us a spirit of fear and timidity, but a spirit of power, of love and of self-discipline.*" Satan is the one who gives you fear and timidity! Don't let the devil scare you or tempt you to procrastinate and put off taking your steps.

Get started today! "The journey of a lifetime begins with the first step!"

Personal Testimony

Your personal testimony is the most important tool you have as a Christian. Writing your personal testimony is a challenge that will require prayer for it to be as effective as you and the Lord would desire.

Your testimony will be translated into the local language and will be printed as a witnessing tract to be used as you share the gospel one-on-one. Please consider the culture, economy and worldview of your audience when writing your testimony.

Your testimony must be less than 400 words in length. Due to size restrictions in printing, any testimony over 400 words will be edited at the discretion of the IC administrative team. We prefer that you email your testimony to us as an attachment in any Word document. In the subject line please indicate the project you are going to participate in (country and year) and email it to Testimony@IC-World.org. You can also type it out and send it to us by fax or mail. If it is hand-written it must not be longer than the furnished form. Please save a copy for your file.

Suggestions for Writing Your Testimony

- Share your experience with Christ in a warm, personal, "non-technical" way. When quoting scripture, please include the scripture reference (e.g., "Jesus wept" (John 11:35).)
- Relate your experience and the sharing of scripture as if that person has never heard the name of Jesus or the plan of salvation.
- Be positive, enthusiastic, and joyful. Share the positive benefits of your Christian life. Do not dwell on those times you failed God.
- Avoid religious terms that are commonly used in religious or church life. Many people you witness to have never read the Bible or visited a church. Try to use simple language that can be understood by everyone.
- The greeting can be used to express your joy and excitement of being in the country. You might include that you have come at the invitation of local Christians and explain the purpose of your visit.
- At the close of your testimony, you may invite the readers to turn the page where they can respond to some questions, ie. "Please turn the page to learn more about God's love for you."

Personal Testimony

Please keep your testimony UNDER 400 words. Please email completed testimony as an attachment to testimony@ic-world.org or type or neatly print and mail to the IC office.
